

as good as mine

[F]
...

I guess

[F] mornin' [A7] light will [Dm] soon

[C7] return, I guess

[F] eager [A7] hearts - again - will [Em7] yearn - I

[F] guess I'll [A7] learn when [Dm] tables [G] turn

But your [F] guess is as [C] good as [F] mine.

I will

[F] pull the [A7] moon to [Dm] earth

[C7] for you, I will

[F] do the [A7] things I [Dm] say I'll [Em7] do - I

[F] will be [A7] grateful [Dm] when I'm [G] blue

But your [F] will is as [C] strong as [F] mine

I love

[F] color [A7] in my [Dm] summer

[C7] skies - I love

[F] when you [A7] laugh with [Dm] teary [Em7] eyes - I

[F] love ya [A7] more than [Dm] words [G] sometimes

But your [F] love - is as [C] strong

as [F] mi-ne [Em7]

But your [F] love - is as [C] good as [F] mine
