Cadd9 G

We played every day that we could

Em G Cadd9 Dsus2

And on the days we couldn't, we left letters in the woods.

Cadd9 G

We were young, we thought things wouldn't change,

Em Dsus2 Em Dsus2

But all things do in time, and sometimes friendships fade.

Cadd9 G

I thought I knew the path that I was on,

[Chorus]

Cadd9 **G***
When I heard the news, I couldn't cope.
Em* **G*** **Cadd9*** **Dsus2**
I lost my hold on joy. I lost my grip on hope.
Cadd9 **G**
But each passing week, each turning year,
Em **Dsus2** **Em** **Dsus2**
Hope and joy returned, replaced the loss and fear.

Em **Cadd9** **Dsus2** **D**
Em **Cadd9** **Dsus2** **D**
Where would I be now if not for

[Chorus] (*strummed*)

Em* **Dsus2***
And sometimes there's a tidal wave,
Cadd9*
And everything is different in its wake.
Em* **Dsus2***
And sometimes there's a hurricane,
Cadd9*
And after everything is unfamiliar, strange.

Em **Cadd9** **Dsus2** **D**
Em **Cadd9** **Dsus2** **D**
But look ahead and know, Look ahead and know that there'll be
